Supplemental Questionnaire

ACCOUNTING TECHNICIAN, FV-0525-E Department of Transportation Federal Aviation Administration Mike Monroney Aeronautical Center

Section 1: Minimum Qualifications

- 1. From the descriptions below, select the letter corresponding to the statement that most clearly and accurately describes your basic education and experience. Select only one letter.
 - A. I have at least 1 year (12 months) of specialized experience which is equivalent to the next lower level in the Federal service. My experience provided me with the ability to examine, process, and code a variety of accounting documents and supporting material. I performed the following types of clerical and bookkeeping duties related to financial documents: received, reviewed, and processed a variety of accounting documents relating to travel, transportation, or expenditure and collection vouchers; examined accounting documents to ensure they had appropriate approvals, calculations, and appropriations cited; maintained accounting records; and reconciled cumulative (i.e., monthly) records against individual transactions.
 - **B.** I do not have specialized experience or education as described above, but I believe I can perform the duties of this position.

Section 2: Specialized Experience

For each of the following statements, circle the letter for the response that most accurately describes your level of experience in performing the task described, using the table below. Circle only one letter for each statement.

- A I have had no experience or training in this.
- B I have had education or training only in this, but no experience.
- C I have occasionally performed this task under close supervision.
- D I frequently and independently performed this task under normal supervision.
- E This task was/is a major part of my job, and I am considered an expert performing it.

Review various obligation documents to ensure completeness of data, to ensure accuracy of computation, and to ensure validity of accounting classification.
 Review various accounts payable or accrued expenditure transaction documents to ensure completeness of data, to ensure accuracy of computation, and to ensure validity of accounting classification.

Circle the appropriate letter.
